

Products from the Leader in Innovation

Cravy™ Soft-Serve Ice Cream Maker

Cravy™ is the first home Soft-Serve Ice Cream Maker with Built-In Freezing Technology. The built-in cooling systems eliminates the hassle and delay of pre-freezing overnight. The versatile units have functions for soft serve, slush, spiked slush, milkshake, frappe, and sorbet. Features include a built-in topping dispenser and warmer. The Keep Cool function will keep it in your selected texture until you are ready to enjoy/serve. The GSI1010 offers a 1-quart and a built-in thermal cooling system, eliminating the need for pre-freezing. The GSI1020 features a 2-quart capacity, six pre-set functions for frozen delights and a compressor for faster 30-minute readiness. (Q2 2025)

Panorama™ Digital 7-Quart Air Fryer

The Panorama Digital Air Fryer has a 7-quart capacity and panoramic viewing window, allowing users to watch their food cook. An internal hologram display provides easy access to cooking time, temperature, and instructions. Stylish color options enhance any kitchen. It features 12 one-touch presets and guided cooking prompts. (Walmart)

GPM1270 Digital Indoor Pizza Oven + Air Fryer Oven with 6 Pizza Presets

Gourmia's new All-In-One Pizza Oven, Toaster, and Air Fryer lets you make pizza, toast, and air-fried favorites. Choose from 6 Pizza Presets and 7 Cooking Functions for meals in minutes. It heats to 800°F, cooking 12" Neapolitan pies in 2 minutes. Dual burners customize heat for perfect crusts. FryForce 360° Technology™ ensures crispy results with quick, even cooking. (Target).

GAF858 8-Quart Digital Air Fryer with Window & Light

This 8-Quart Digital Air Fryer features a convenient window and light, designed with sustainability in mind. Its extra-large 8-quart basket accommodates generous portions, while 7 one-touch cooking functions allow for easy meal preparation. Capable of cooking up to 450°F, it also includes optional preheat and turn reminders for added convenience. (Costco)

Versia™ All-In-One Air Fryer, Grill, Panini Maker & Multicooker

All-In-One Air Fryer, Grill, Panini Maker, and Multicooker. Designed to simplify meal prep and save counter space, it offers 14 one-touch cooking functions through an intuitive touch interface. The 7-quart air fryer uses Gourmia's proprietary FryForce 360° Technology™ for crispy, low-fat meals. The smokeless grill and panini maker provide indoor grilling and pressed paninis, while the 6-quart multicooker excels at slow cooking, roasting, and more. (2H 2025)

GTF3588 9-Slice Digital Toaster Oven Air Fryer in Spring Colors!

This large-capacity oven fits a 13-inch pizza, 9 bread slices, or a whole chicken. Its Fry Force 360° Technology™ cooks quickly and evenly. With 12 functions—including air fry, broil, toast, and roast—plus convection mode for fast results, it offers great versatility. The oven features intuitive controls, a large display, and single-pull French doors. Available in peach, green, stainless steel, and white. (Walmart)

GSC517B Programmable Slow Cooker in Spring Colors!

This New 4.5-quart programmable slow cooker features a locking lid and serves up to 5 people. It offers 5 one-touch presets for braise, chicken, meat, soup, and beans. An automatic keep-warm function ensures food stays hot and ready, while the cooking time can be customized from 30 minutes to 24 hours. Peach, white and green in 2025. (Walmart)

GTF7698 Digital Countertop Oven with Air Fryer

This digital countertop oven with air fryer features 16 one-touch presets for quick, consistent results. Patented FryForce 360° Technology ensures even cooking, while a temperature probe stops at the desired doneness. The dual cook auto function switches between modes for two-step recipes. (Costco)

GJ1455 Whole Fruit Extraction Digital Juicer

This juicer has a powerful 800-watt motor, 6 digital speeds, a pulse mode, an extra-wide chute, a 36 oz juice pitcher, and a large pulp to juice all sorts of produce. Its unique Self-Clean Cycle combines the included click-in brush and the micro-mesh to clean the juicer and dispose waste into the pulp container. (Target)

GSC2635 13.1" 4-Slice Health Griddle, Panini Maker & Indoor Grill

This 13.1" 4-Slice Health Griddle in black and stainless steel serves as a contact grill, panini maker, and open indoor grill. Its sloped design channels excess fat into a removable drip tray for healthier cooking. It features a nonstick coating for easy cleanup, including a dishwasher-safe drip tray. (Target)
